

Hellenism writing prompt:
Assigned on Tuesday 11/18
DUE: Monday November 24

10 points extra credit

Alexander the Great was tutored by the greatest philosopher of the time, Aristotle, who believed in educating the whole person in many areas of study. Alexander established flourishing cities with trade ports, libraries, schools, acropolises, and bureaucratic governments that valued culture.

Using your knowledge about Alexander the Great, Aristotle, the Silk Road, and Hellenistic culture, write a one page essay using the back of this sheet and answer:
HOW DID THE CONTACTS BETWEEN GREECE AND OTHER CIVILZATIONS HELP BUILD ALEXANDER'S EMPIRE *SOCIALLY, POLITICALLY, AND ECONOMICALLY?*

Consider this quote when describing the Hellenistic Empire that Alexander the Great built:
"More than a conqueror, an intellectual with a team of all the finest minds in the world. Visualizing a universal empire for all, he left the legacy of the greatest empire the world has ever seen"

PRE-WRITING:

1. Fill in the chart about Alexander's Empire:
